"Your small contribution can provide a good future"

I am happy to share with you all that on 21. 5.2024, the **Student Aid Cell** was inaugurated at Government College Salooni, district Chamba by the Principal of the college, Dr. Mohinder Kumar Slariya. Its main objective is to provide assistance to the students in their academic needs. The cell will provide various types of assistance/help to the students:

1. Educational Assistance
2. Financial Assistance
3. Career Counseling etc.

The main objective of this cell is to provide financial assistance to the students of *economically backward and weaker sections* and to ensure that the **studies of no student should stop due to financial reasons**. Assistant Professor Pankaj Kumar, one of the coordinators of the cell, said that through this cell is committed to provide the best possible help/service to the students and bring the left-out students of the area to the college for higher studies who otherwise because of economic reasons are not able to afford higher education.
