Government College Salooni has successfully concluded its post-admission counselling sessions, held from July 16th to July 19th, 2024. These sessions were meticulously organized by the college's Career Counselling and Placement Cell in the computer lab.

Throughout the three-day program, newly admitted students received valuable guidance on subject selection. The counselling focused on helping students make informed choices that aligned with their individual interests and prospective career paths. The sessions, commencing at 12:00 PM each day, provided a dedicated platform for students to discuss their academic future and receive expert advice.

The initiative aimed to ensure that students are well-equipped to choose subjects that will not only foster their academic growth but also lay a strong foundation for their future careers. The successful execution of these counselling sessions underscores Government College Salooni's commitment to providing comprehensive support to its students beyond the admission process.
