Government College Salooni recently conducted a comprehensive disaster preparedness program, collaborating with the 14th Battalion NDRF from Jasur, Kangra.

On November 8, 2024, NDRF Team In-charge Rajesh Kumar led a workshop for students, demonstrating crucial techniques for handling natural and man-made disasters. Training included first aid, bandaging, splinting, makeshift stretcher construction, and fire extinguisher operation. Students also learned CPR and methods for assisting individuals with obstructed airways, with an emphasis on maintaining calmness during emergencies.

Following the workshop, a mock drill was organized on November 9, 2024, allowing students to apply their newly acquired skills in a simulated scenario. The initiative, attended by Acting Principal Smt. Pinki Devi and faculty, highlights the college's dedication to student safety and disaster readiness.
