

2. Book Bank Facility by Faculty Members:

5.1

Objective of the practice: This practice was launched in the academic session 2023-24 by the faculty members to lend books to the poor students for the whole session to be restored only after their examination are over.

Evidence of success and Outcome: Approx. 20 students are benefitted every academic session with recommended books for their curriculum. In the Academic Session 2024-25, 32 books have been issued to the students by faculty members under the book bank scheme.

Problem Encountered and Resource Required: Financial crunch is there to procure more books as the number of students and their requirements shall increase with every passing year. Also there is a need to maintain a reserve pool of updated books.
